CAREER SUMMARY

Computer Science Engineering Graduate with hands-on experience as a Software Engineer Trainee, seeking opportunities in software development. Skilled in building responsive web applications using React.js and JavaScript, with exposure to full-stack development involving Node.js and Express.js.

EXPERIENCE

Practomind Solutions LLP

2026

Software Engineer Trainee

Bhubaneswar, India

- Worked on **responsive web interfaces** using React.js and JavaScript, ensuring a consistent, mobile-first user experience across all devices and screen sizes.
- Integrated frontend components with RESTful backend APIs, contributing to **efficient state management** and resolving cross-stack bugs to maintain smooth end-to-end functionality.
- Contributed to **multi-role web applications** (admin and user dashboards), handling UI tasks, feature additions, and targeted performance improvements.
- Collaborated with team members on bug fixing, code reviews, and iterative feature delivery, improving overall **application reliability and user experience**.

PROJECTS

Ed-Tech Platform

- Contributed to a school and student-facing web platform, working on **responsive UI components** and handling frontend features across multiple user flows.
- Assisted in identifying and resolving critical UI bugs, helping improve overall **application stability and user experience** through targeted fixes.

Real Estate CRM & Listings Platform

- Worked on a dual-product real estate suite a **CRM for agents** and a property listings platform for users contributing UI modules for both admin and user-facing views.
- Assisted in integrating backend APIs for **dynamic data rendering**, helping ensure smooth cross-component data flow throughout the platform.

B2B Fintech Platform

- Contributing to an enterprise-level B2B fintech product, handling UI tasks for **financial dashboards** and data-heavy interfaces.
- Assisting with frontend component work, API data fetching, and supporting **clean, reliable workflows** for business users.

EDUCATION

Gandhi Engineering College

2022 – 2026

B.Tech in Computer Science Engineering

Bhubaneswar, India

Adyant Higher Secondary School

2020 – 2022

Intermediate of Science

Bhubaneswar, India

DAV Public School

2020

Matriculation

Cuttack, India

COURSES & WORKSHOPS

Web Development | *Internshala Trainings*

- Gained practical skills in front-end and back-end development using HTML, CSS, JavaScript, and React through hands-on assignments, quizzes, and assessments.

Frontend Development | *AspireNEXT Program by SEED (Infosys)*

- Collaborated with peers to build interactive web pages using HTML, CSS, and JavaScript; strengthened teamwork and practical coding skills in a structured environment.

TECHNICAL SKILLS

Languages : JavaScript, SQL (Basic)

Frontend : React.js, HTML5, CSS3, Responsive Design (Mobile-first)

Backend : Node.js, Express.js (Basic Knowledge)

EXTRA CURRICULAR

Mobile Photography – @clicksfromeverywhere: Captures and shares creative mobile photography and short-form videos across social media platforms.
